DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on July 10, 2006 has been entered.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Joseph Carrier on August 3, 2006.

The application has been amended as follows:

In the claims:

Cancel claims 81-111.

Allowable Subject Matter

3. Claims 5, 74, 78-80, and 112-114 are allowed over the prior art of record. The following is an examiner's statement of reasons for allowance:

Art Unit: 1775

The closest prior art of record while teaching a similar composite structure does not teach or suggest a composite structure comprised of at least one of a brittle ceramic material and a brittle metalloid formed on a substrate surface and having the characteristics referred to in the claims and further in combination with an intensity ratio of three peaks as described in the claims and further wherein a boundary layer made of hyaline does not substantially exist on a boundary face between crystals, and part of the formed structure acting as an anchor section biting into the substrate surface.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
